

C. LINES AND SHAPES IN ARTWORK

Now that we understand the difference between **abstract**, **geometric** and **natural shapes**, let's look for lines and different kinds of shapes in these posters. The posters were made by European artists in the early 1900s.

Can you identify geometric and abstract shapes in this poster?
 What kind of shape is the one in the center? (*geometric, abstract, natural*)
 Why do you think so?

Identify the lines in this poster.
 How would you describe this kind of line?
 What kinds of shapes do the lines form? (*geometric, abstract, or natural*)
 Are the shapes *open* or *solid*?
